Verse 1

My favorite thing about you is your peace
Resting like a dove upon me
Painting every promise, chasing every fear
My favorite thing to know is that you're here

Chorus 1 (half-chorus)

You are a father, You are the God who sees,
Moved by compassion, and you've chosen me

Verse 2

I love the way you're faithful to me
You don't run away you never leave
Constant through the changes, steady in the storm
My favorite thing to know is that I'm yours

Chorus 2

You are a father, You are the God who sees,
Moved by compassion, and you've chosen me
You're like no other, Perfect in Majesty
Beauty's Creator And, you've chosen me
